

## Van Loveren Tasting Room

### FOOD & WINE PAIRINGS

Enjoy an informal tasting at our pod, or treat yourself to a relaxed food & wine pairing with a platter on the deck overlooking the garden. Choose from 8 pairings, amongst them non-alcoholic pairings for both adults and children.

### CHRISTINA'S BISTRO

Enjoy our specialities of thin crusted, wood-fired pizzas and gourmet burgers with a glass of your favourite Van Loveren wine under a shaded pergola. We are OPEN 7 days a week, with local musicians setting the tone on Sundays for a laid-back afternoon.

Open Daily from 09:30 - 15:30\* (\*last orders 15h30)

Bookings: 076 862 1995 (Chani / Delia)

### FISH EAGLE HIKING TRAIL

With vast natural areas relatively untouched, the Fish Eagle hiking trail on our farm offers the ideal way to explore and see some of the Cape's finest examples of rare fauna and flora. The 7,5km biodiversity trail, with informative signs, starts at the winery and takes visitors along the river, as well as through the various veld types found here. A resident breeding pair of fish eagles has successfully raised ten chicks over the past nine years. A very rare feature on the farm is a special rock formation shaped some 1.3 million years ago and which is only found on this farm and near the town of Sutherland.

Families can enjoy a Picnic on a stick at R60 per person, includes your permit, refreshments, snacks and energy for the route. Spot 10 of the most common birds on route with an interactive guide.

Kindly obtain your permit at our tasting room.

### BIRDING

As many as 100 bird species can be spotted in a day along our safe and peaceful birding route. The summer months are best for bird-watching.

### GARDEN TOUR

The beautiful garden surrounding the winery is the legacy of Jean Retief who, since her arrival in 1939, has planted many trees to commemorate special family, political and historical occasions. A leaflet detailing all these stories is available from our staff and you're welcome to do a self-guided tour or join a guided excursion.

## Don't miss the annual JAVA MTB CHALLENGE

TRAIL RUN: 10km | MTB: 20km, 45km & 65km

Medals & goodie bags to all finishers

Taking place at VAN LOVEREN farm, this all-ages event follows routes around the spectacular Elandsberg.

- An easy 150 km drive from Cape Town.
- Excellent prep opportunity for the Wines 2 Whales and Dr Evil.
- The three trails vary in technicality and offer riders of all fitness levels a good workout.
- Fun-filled activities & stalls for a super fun family day out.

JAVA MTB acts as a platform to raise funds for our local schools and charitable organisations. These partnerships are mutually beneficial as the teachers, parents and volunteers make up 80% of the work force at the event, laying out & marking the route, marshalling, manning the food stalls and water points, etc.
